

G2G BOOTCAMP APPLICATION FORM

What is the G2G Program all about?

G2G Program is an exciting initiative organized by **GWUS Global Concept** in collaboration with **Grams Technology**. This program, primarily sponsored by **Grams Technology**, aims to provide an exceptional opportunity for 100 participants from across Africa to gain valuable tech skills. Participants will benefit from comprehensive training, mentorship opportunities, and the chance to connect with both local and international job opportunities. **G2G Program** is designed to equip individuals with the skills and connections needed to excel in the tech industry and advance their careers.
